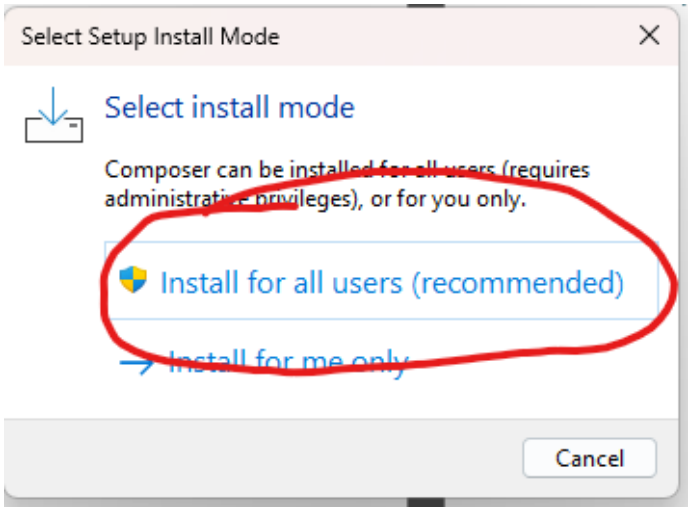
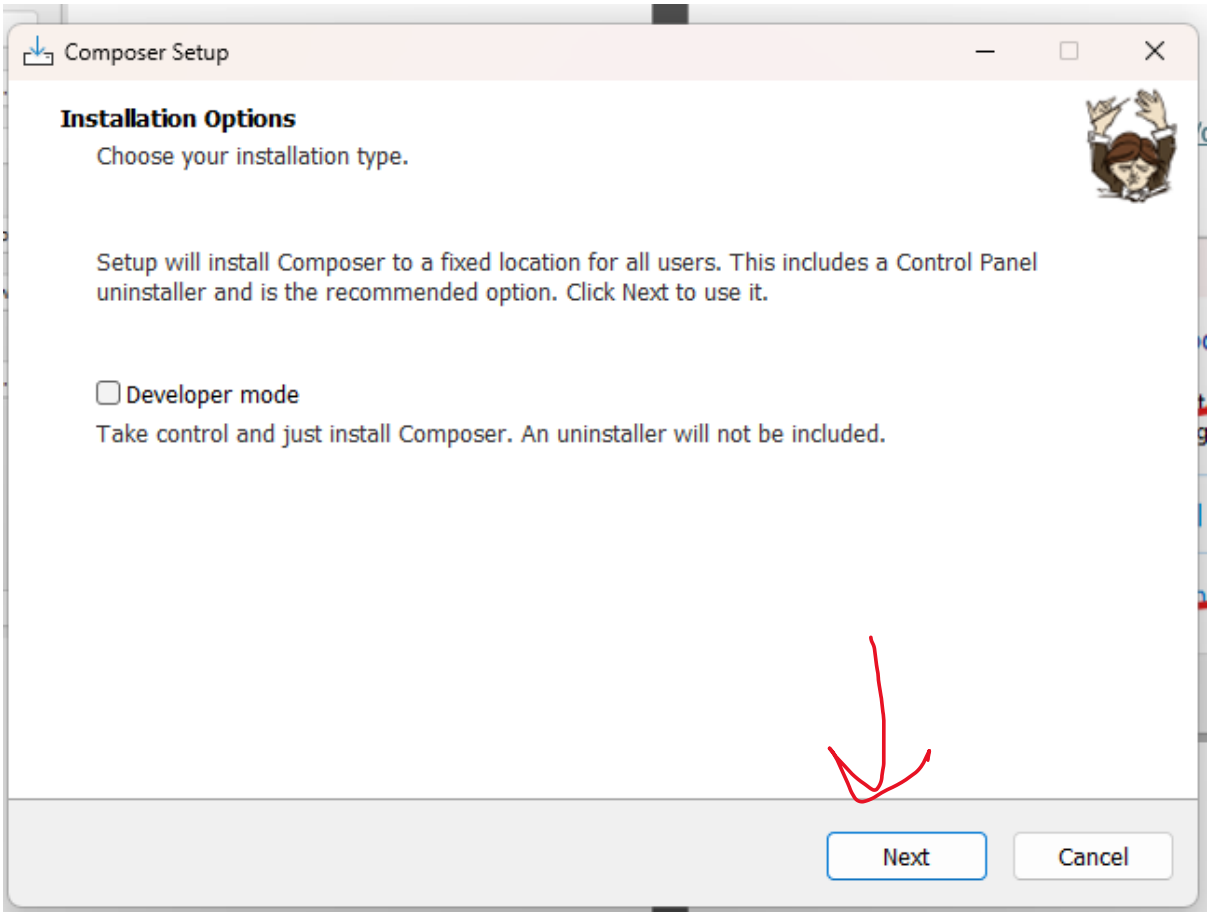
https://drive.google.com/drive/folders/1c4cyohN9boKh3Ru_Myzgp30OxtBfTDog?usp=sharing





Composer Setup
Installation Options
Choose your installation type.
Setup will install Composer to a fixed location for all users. This includes a Control Panel uninstaller and is the recommended option. Click Next to use it.
Developer mode
Take control and just install Composer. An uninstaller will not be included.
